SKYFOLD ZENITH 48

WITH A WRITING SURFACE

Zenith 48, the latest revolution in the Skyfold family has added a white marker board surface to its line-up of standard finishes!

Classrooms can not only be reconfigured in minutes by a simple keypad operation, but the retractable walls can also be used as a writing surface and still offer exceptional acoustics!

- /// **Acoustic soundproofing** of the installed wall exceeds industry standards: STC 48 / RW 47
- /// **Space-saving design:** no visible mechanisms, no floor or wall tracks, and no loss of useful floor space
- /// **Automatic, rapid and quiet system**, with simple keypad activation
- /// **Excellent price-quality ratio**
- /// **Thin path of travel**
- /// The white marker board finish allows the user to **utilize any section of the wall as a writing surface**
